## PROFILE

Hello, My name is Ola, I'm 20 years old, Programming is my passion, I am ambitious and always set goals for me to motivate me to work hard in my position. I feel excited and enjoy when I start learning something new to improve my standards for the better, For me, working on computer code is my way of being creative, Every time I write a piece of computer code, I get the feeling I have created a piece of art and reading computer code, to me, feels like looking at a piece of art. so I am actively seeking the opportunity to delve deeper into this field and expand my scope of learning and knowledge.
